LEADERSHIP

DEPARTMENTAL EXECUTIVE OFFICER (CHAIR), DEPARTMENT OF FINANCE, TIPPIE COLLEGE OF BUSINESS, UNIVERSITY OF IOWA (2017-2023)

- **Department Administration:** I managed a department with 38 faculty (Fall 2022: 17 Tenure Track, 9 Instructional Track, 12 Adjuncts) and two centers: the Hawkinson Institute of Business Finance and the Vaughan Institute of Risk Management and Insurance, an International Insurance Society Global Centers of Insurance Excellence. I managed faculty development including: recruiting; setting research, teaching and service loads; annual, promotion, tenure and post-tenure reviews; recommending annual salaries, offer packages and retention packages. I have overseen 15 permanent faculty hires, 10 promotion cases and 3 new endowed professorship awards.
- **Community and Culture:** I became BUILD (Building University of Iowa Leadership for Diversity) and LGBTQ Safe Zone certified. I established a departmental committee to address community and culture issues consisting of faculty and advisory council members. During my tenure as chair, the department developed and endorsed the first Departmental values statement in the college. We established the Finance Opportunity Fund, a departmental foundation account dedicated to creating opportunities for students from all backgrounds. The department partnered with Aegon to sponsor an Invest In Girls group for high school girls in the Cedar Rapids/Iowa City corridor. Our permanent faculty are from 10 different countries. Women constitute 47% of permanent faculty hires since July 1, 2017 and 45% of Finance Advisory Council members for 2023-24.
- **Program Management:** I managed resources, curriculum and teaching schedules across seven degree programs and two certificate programs including: Bachelor of Business Administration (largest undergraduate major on campus by graduating class size), Master of Finance (started in 2018), Full-Time MBA (discontinued in 2019), Professional MBA (combined with Online MBA in 2022), Online MBA, Executive MBA (discontinued in 2023), PhD, graduate Certificates in General Finance, Corporate Finance and Investment Management, and an undergraduate Certificate in Risk Management and Insurance. We undertook a self-study and external review that resulted in an overhaul of our undergraduate curriculum. We developed a Risk Management and Insurance major for launch in Fall 2023. I facilitated transition to all virtual teaching in response to COVID during the Spring 2019 semester and developed contingency plans for 2020-21 and 2021-22 teaching modalities across all programs.
- **Program Development:** During my tenure as Chair, the department started a new full-time, Master of Finance program. I converted faculty, staff, and resources from the full-time MBA program through a transition year supporting both programs to a stand-alone Masters program. We established articulation agreements for this program with five other colleges and universities. The department also transitioned to delivering from an evening MBA program to an Online MBA program, which was recently ranked 8th in Finance among public institutions in the US by US New and World Report (2022 rankings). We started

two new student-managed investment funds: The Hart Fixed Income Fund (managed by Masters students) and the Marberry Asset Allocation Fund (managed by undergraduate students). We are adding a new major in Risk Management and Insurance in Fall 2023 and a Professional/Online MBA certificate in Risk Management and Insurance.

- **Strategic Planning:** I managed the departmental strategic planning process including taking the department through the college's AACSB accreditation and a separate external departmental review. I was the faculty representative in collegiate planning to transition from the full-time MBA program to specialized Masters programs. I worked with the college leadership team to develop response to COVID-19. I worked with senior University administration to develop the plan to privatize the University Utility System, creating a ~\$1 billion investment fund to support the University's strategic priorities. Annually, I work with senior University administration to develop Higher Education Price Index forecasts to inform Board of Regents requests for funding and tuition rates.
- **External Relations:** I worked with seven departmental advisory boards and two collegiate advisory boards including: The Tippie Advisory Board (overall collegiate advisory board), The School of Management Advisory Board (MBA program advisory board, suspended in 2019), The Finance Advisory Council (overall department advisory board), The Henry Fund Board (graduate student-managed equity fund advisory board), The Krause Fund Board (undergraduate student-managed equity fund advisory board), The Hart Fund Board (student-managed fixed income fund advisory board), The Marberry Fund Board (undergraduate student-managed asset allocation fund advisory board), The Vaughan Advisory Board (advisory board for the Vaughan Institute) and The Vaughan Young Alumni Board (advisory board for the Vaughan Institute). I serve on the Faculty Senate Governmental Relations Committee. I have hosted locally and travelled to Cedar Rapids, Des Moines, Minneapolis, Chicago and New York to meet with industry leaders, donors and politicians.
- **Fundraising:** I worked with the University of Iowa Center for Advancement (foundation) with donor relations and fundraising for the college and department. The department received more than \$3.8 million in outright gifts and new pledges between July 1, 2017 and June 30, 2023. In addition, Henry Tippie contributed an additional \$4 million more to the Henry Fund to manage on behalf of athletics and the University of Iowa Strategic Initiatives Fund transferred \$1 million to the Hart Fixed Income Fund to manage on its behalf. Initiatives include:
 - Establishing the Finance Opportunity Fund, the first departmental fund dedicated to Community and Culture.
 - Increasing fellowship and other endowed support for faculty.
 - Establishing the Hart Fund, the student-managed fixed income fund.
 - Establishing the Marberry Fund, the student-managed asset allocation fund.
 - Securing funding for the Finance Lab.
 - Securing funding for Bloomberg and FactSet for students.
 - Hosting on campus and travelling to meet with donors in various cities alone or with the Center for Advancement representatives.
 - Annual updates to all alumni that include direct appeals for donations.
- **Leadership Development:**
 - Participated in the Big Ten Academic Alliance Leadership Development Program, 2017-2018.
 - Participated in the Big Ten Academic Alliance Academic Leadership Program, 2021-2022.

- Served as a DEO Mentor in the University of Iowa DEO Mentorship Program, 2021-2022, 2022-2023.
- As DEO, have participated in more than two dozen University of Iowa training sessions ranging across topics such as cash handling, human resources, Diversity Equity and Inclusion, COVID safety practices, etc.

FACULTY DIRECTOR, MBA FINANCE CAREER ACADEMY, TIPPIE COLLEGE OF BUSINESS, UNIVERSITY OF IOWA (2013-2017)

- I managed curriculum in a top ranked MBA program in finance (Financial Times Worldwide Rankings: #6 in 2013, #2 in 2015, #1 in 2016 and #4 in 2017).
- I started alumni relations annual updates.
- I developed consulting projects for students with companies ranging from startup companies to Fortune 100 companies such as John Deere and US Bank (client-approved descriptions available on request).
- I hosted locally and travelled to Ames, Milwaukee, Minneapolis and Muscatine to meet with industry leaders.
- I designed the Assurance of Learning program for AACSB accreditation across all MBA programs.

OTHER

- University Project Team: Utility System Public Private Partnership, 2018-2020.
 - I helped develop the strategies and financials for the University of Iowa Utility System “P3” Public-Private Partnership (deal value \$1.165 billion, financial close in February 2020).
- University of Iowa Strategic Initiatives Fund, Board of Directors, 2020-Present.
 - I am a Director of the 503(c) corporation that oversees the ~\$1 Billion investment fund that resulted from the University of Iowa Utility System P3. The fund’s goal is to fulfill the contractual obligation of the P3, subsidize university utility costs and return \$15 million annually to the University for strategic initiatives. \$7.5 million in funding authorized in FY 2021 and \$15 million in funding authorized for FYs 2022, 2023 and 2024.
- Collegiate Research Task Force, 2013-2015.
 - We established the Tippie College of Business Research Fund, the first general foundation account in the college dedicated to research.
 - I developed the first overall research support manager position at the college, hired and supervised this position.
 - I established the Experimental Economics Interdisciplinary Research Group.
 - I developed policies and procedures for the Tippie Behavioral Research Lab.
- Iowa Electronic Markets.
 - Steering committee/board, 1993-Present.
 - Interim Director, 2019-2020.
- University of Iowa, Internal Review Board (IRB) Advisory Group, 2009-2017.
 - I worked with the IRB to develop policies and procedures including Umbrella Protocols.
- Economic Science Association, Session Chair in Finance for six years.
