

Kaplan is dedicated to helping CPA candidates pass the exam with confidence on the first try. Our Learning System is designed to provide candidates with everything they need for success on exam day. Using a proven methodology known as LEARN • PRACTICE • RETAIN™, Kaplan has created an efficient yet comprehensive Learning System for each of the four sections of the exam.

Kaplan's unique program is designed to provide candidates with a clear and effective system for passing the CPA exam. At the core of this system is the Kaplan Interactive Study Calendar, your versatile roadmap with day-by-day steps to total preparation. Using the interactive calendar along with the other elements in our Learning System gives candidates a tremendous advantage on exam day.

Each Kaplan CPA Learning System includes:

- Interactive Study Calendar
- Online Review Course
- CPA Pro™ QBank
- Study Manuals
- MP3 Audio Review
- Flashcards
- InstructorLink™ (email access, exam-tips blog, instructor-led office hours)
- Video Library
- 24-months of online access
