

Latta, Harris, Hanon & Penningroth, L.L.P. is a local firm of certified public accountants and consultants. The firm as it is known today was formed in 1997 with the merger of two prominent and longstanding area firms, Latta, Harris, Yotty & Co. of Washington, Iowa, and the Tipton, Iowa office of Meriwether, Wilson & Co., P.L.C. Latta, Harris, Hanon & Penningroth, L.L.P. continues the traditions of trust, experience, knowledge and professionalism begun by our predecessor firms over twenty-five years ago. Businesses and their owners are served from our offices in Washington, Tipton, Iowa City, Cedar Rapids, Kalona, Sigourney, Williamsburg and Durant.

The mission of Latta, Harris, Hanon & Penningroth, L.L.P. is:

- To provide the highest quality professional services possible by a certified public accounting firm. These services include tax, accounting, auditing, information technology, business and financial consulting.
- To utilize the full extent of our abilities to help our clients achieve their goals.
- To provide the optimal environment to help our personnel reach their maximum professional potential and personal fulfillment.
- To continue the growth of our practice at a rate that provides continual opportunity for advancement by firm personnel and facilitates constant quality improvement.
- To always be mindful of the people, efforts and relationships that have made the firm what it is today.

Because of our commitment, experience and growth, Latta, Harris, Hanon & Penningroth, L.L.P. partners and staff are able to offer expertise in a wide range of accounting-related services, these include:

Taxation

- Individual and business income tax planning and preparation
- Payroll, sales and use, estate, trust and gift tax preparation and planning
- Tax representation before IRS and state taxing authorities

Accounting and Audit Services

- Financial statement audits, reviews and compilations, forecasts and projections
- Bookkeeping services, accounting assistance, production and cost accounting, payroll processing, accounts receivable and accounts payable services

Planning Services

- Integration of personal and business tax strategies
- Evaluation, selection and formation of business entities
- Retirement and investment planning
- College funding strategies

Consulting Services

- Information technology: hardware and software evaluation, selection, installation, training and support
- Specialized industries: agriculture, real estate, construction and cost segregation, health care providers, and comprehensive services for closely-held businesses
- Business and farm succession planning, buy-sell arrangements, valuation and litigation support services
