

**Financial & Valuation Modeling virtual seminar hosted by the University of Iowa – January 21-22, 2023**

**Attention to all students pursuing investment banking, private equity, portfolio management, business and corporate development, capital markets, equity & credit research, and industry corporate finance careers:**

The Hawkinson Institute will be hosting Wall Street Prep's Financial and Valuation Modeling virtual seminar on the weekend of January 21-22, 2023. Details about the training can be found: [https://www.wallstreetprep.com/seminars\\_university/university-of-iowa-012123-2/](https://www.wallstreetprep.com/seminars_university/university-of-iowa-012123-2/)

### **PROGRAM AGENDA**

Day 1 – Saturday, January 21 (9am-5pm CST): Financial Statement Modeling

Day 2 – Sunday, January 22 (9am-5pm CST): Valuation and Discounted Cash Flow Modeling

### **WHY SHOULD YOU ATTEND THIS SEMINAR?**

- Comprehensive Training – Each boot camp is the same intensive training used to prepare incoming analysts at top financial institutions
- Learn by doing – work through practical exercises and building financial models using real case studies
- Experienced Instructors - Our instructor-practitioners are experienced bankers who give real-world context by connecting training to their own experience on the desk
- Excel Mastery - Our training reinforces speed, efficiency and consistency in Excel that investment banking analysts are expected to have on Day 1
