WOMEN'S BUSINESS CONNECTION LEADERSHIP CONFERENCE

The Big 10 Women's Business Connection Leadership conference has been an annual event for the past 8 years, originally established at the University of Iowa. Over the years, women from Big 10 schools from across the country have had the opportunity to meet other WIB Executive Members to collaborate, network, and build professional relationships. On behalf of the WBCLC planning committee at the University of Iowa, we would like to thank our sponsors for making this whole conference possible.

This year, The University of Iowa has been selected to host the 2023 Women's Business Connection Leadership Conference. The event will be held on the weekend of March 3rd through March 5th. Our amazing team has put an extensive amount of time and dedication into planning this conference, and we are beyond excited to host the event this year!
